

I am a senior at Cut Bank High School, home of the Wolves! I enjoy working on my family's ranch, rodeo, and skiing. I participate in barrel racing, pole bending, and cow cutting during High School Rodeo Season. I serve as my school's Student Body President and have been involved in school government for my entire high school career. I am the President of the Clever Clovers 4-H club and raise show steers. I enjoy reading and listening to country music. I am the President of Cut Bank's National Honors Society. I encourage any interested student to take advantage of this amazing opportunity to serve on the Montana Board of Public Education.
